MUS HYMN

Dear MUS, How kind the fate
that brought us to these halls
To learn thy ways,
To walk in truth and honor all our days.
We pray that we shall always honor Thee.
Let us all unite to sing
To Alma Mater, Friend, and Leader,
University.

— *John Murry Springfield*

MUS FIGHT SONG

Go big team down the field
And honor bring to the red and blue.
Our team will never yield
Our men forever will be true.
(Rah, Rah, Rah)
Whether we lose or win
A greater team you'll never see.
We'll show our might again
For Memphis University,
Ready to fight again
For MUS and victory.

— *William R. Hatchett*

22 years later. Same name. Same service. Same bank.

Since 1985, lots of things have changed about banking. Just think about which banks were here then (if you can remember their names). But one thing hasn't changed – folks still like a small, friendly, service-oriented bank. A place where your name carries some weight. Where you can do business without having to introduce yourself over and over again. At Financial Federal, we've spent 22 years treating our customers to our first-name approach to banking. And we're not ready to give up now. Come by and celebrate with us. All we can promise is more of the same.

A message from Headmaster Ellis Haguewood

Another exciting season of MUS football opens at Liberty Bowl Memorial Stadium in a Bridges Classic match-up against the Roadrunners of Ridgeway High School. Then it's back home to face Kingsbury in the friendly confines of our magnificent Sports Stadium. A superb blend of brick and concrete with excellent views of the action from any seat, the stadium boasts home games with Carver, CBHS, Northside, and ECS in September and October. The new artificial turf of Hull-Dobbs Athletic Field ensures ideal field conditions in any weather, no matter how many football, soccer, or lacrosse games are played on the field each season.

Punctuating the varsity's home schedule are away games at Briarcrest, St. Benedict, and perennially strong Olive Branch and a road trip to Cookeville, Tennessee.

At MUS, our commitment to excellence begins with our academic program, but our desire to do the best we can do extends to our athletic programs and other extra-curricular activities. We believe that young men need experiences that stimulate the body and the spirit, as well as the mind. Team sports like football – with outstanding coaches and the right philosophy – can teach a boy lessons about life and about himself. He can catch a glimpse of something real, a belief in what he is capable of, a love of honor, a quiet self-confidence, a joy in friendships, and a heart for perseverance.

As spectators and supporters, we have responsibilities: we must extend hospitality and courtesy to visiting schools and their fans, we must exhibit the same level of sportsmanship and class as our players and coaches, and we must keep the proper perspective on the relationship of high-school football to the ultimate, eternal purposes of life. We play to win, but it is, after all, a game.

The Story of the Buzzard...

“Here We Go, Buzzards, Here We Go”

This grand old cheer can often be heard at many MUS sporting events, but what's the story behind this buzzard? Is this carrion-eating, ominous-looking scavenger an official mascot of the school? Not exactly. However, the story behind the creation of this school symbol has become as much of a tradition as the symbol itself.

The mascot can be traced back to the 1969-70 school year. Upset at the lackluster school spirit shown during the '69 football season, a small group of seniors, led by Warren Ayres, Steve Bledsoe, Ralph Braden, Mac Caradine, Wakefield Gordon, and Lynn Green, transformed the pep club into the Buzzard Club to ignite some enthusiasm into the school. But why a buzzard? These seniors felt as if the symbol of the owl did not truly represent the image they wanted to portray in athletic competition. An owl symbolizes “wisdom” and “scholarly endeavors,” not exactly intimidating traits. This group wanted their mascot to symbolize “viciousness,” “aggression,” and “ferocity.” To them, the buzzard embodied all three. Thus, the Buzzard Club was born.

Yet just changing the name of the pep club was not enough for these innovative, energetic students. They wanted to take their idea further and have the whole school embrace this ferocious, heartless mascot. Consequently, David Morris, an artistically-gifted senior, sketched a buzzard, and this drawing was colored and made into a patch that Buzzard Club members sewed onto the backs on their letter jackets. Morris' sketch was also used as the main image for a button worn by an increasing number of students at athletic events. In fact, the buzzard button became so popular that Coach Bob Smith began stocking and selling them at the MUS bookstore.

But the buzzard mascot truly became a lasting tradition when a cardboard buzzard was framed and hung in the Todd-Snowden gym. Club members commissioned Morris once more to come up with a buzzard image for a pep-rally skit. Thus, he cut out a four-foot by eight-foot buzzard from a refrigerator

cardboard box and painted it. After having used it for the skit, each member of the Buzzard Club signed the cut-out, and it mysteriously appeared one day on a wall overlooking the Todd-Snowden basket-

ball court, its home for nearly thirty years.

With this cut-out, the buzzard moniker was at MUS to stay.

The wave of spirit created by this mascot chaos definitely contributed to the success of the '69-'70 basketball team. Not the most athletic team in MUS history, the players came together and played excellent ball all year. Led by guards Jimmy Ogle and Gary Stevens, forwards Buddy Best and David Jones, center Tom Berdeja, and sixth man Wearen Hughes, MUS stormed through their competition and finished the regular season undefeated at 22-0, and members of the Buzzard Club took immense pride in their contributions to the team's success. In fact, to prove their loyalty to their team and solidify the role of the buzzard in the achievements of this perfect squad, several members of the Buzzard Club decided that before the regular-season game with Savannah, they would dribble basketballs from the MUS campus all the way to the Mid-South Coliseum, site of the non-conference tilt. In that game MUS overcame a deficit and went on to post a hard-fought victory, and Buzzard Club members were more than happy to accept some responsibility for the win. As the team went on to finish the year, the enthusiasm sparked by the players' success as well as the spirit forged by the Buzzard Club created an exciting, energetic atmosphere around the school community.

Almost forty years later, the tradition begun by these imaginative, spirited students still lives at MUS. Though the original Buzzard Club members did not intend to replace the owl as the official mascot, and though the school administration was not always in favor of this radical school symbol, the buzzard stuck and became another integral facet of this great institution.

Marc MacMillan, Head Coach

MacMillan '92 was hired in December 1999 as head baseball coach of the Diamond Owls, and this year will mark his ninth as head coach. During his tenure, he has raised the expectations of the baseball program. The Owls have averaged over 20 wins the past three seasons and earned its best finish in school history as state semifinalists in 2006. In addition to on-the-field successes, the program has made significant upgrades to its facilities with the addition of lights, batting cages, sunken dugouts, and field improvements. MacMillan also serves as a Regional Director for the Tennessee Baseball Coaches Association (TBCA) and managed both the TBCA's sophomore and junior Sunbelt Teams from 2004-2006. He attended the University of Mississippi where he

majoring in managerial finance and played baseball from 1992-96. MacMillan was an outfielder for the 1995 Ole Miss team that participated in the NCAA Atlantic I Regional Finals against Florida State in Tallahassee. Upon graduating, he worked at First Tennessee Capital Assets as a trading analyst and also volunteered at MUS developing the Lower-School baseball program and leading the eighth-grade football team. He attributes his development and coaching style to Bobby Alston and Bill Mosiello, former Ole Miss assistant and current assistant coach at Auburn University.

Coach Peters was hired by MUS in 1960 as a teacher and coach and has since done it all. He was the head cross-country and track coach for eighteen years and has also coached varsity football, ninth-grade football, eighth-grade football, ninth-grade basketball, and eighth-grade basketball. Now he teaches Recent American History, American Government, Comparative Government, and the AP government classes. He also runs the MUS basketball camp in the summer. As head basketball coach for the past forty-four years, he has compiled a 919-366 record. His teams have won over one-hundred invitational, conference, district, regional, sub-state, and state championships. The 2007 squad won the school's first state title following their regional-tournament championship by winning

their final eight games, all by double-digit margins. He was also recognized by *The Commercial Appeal* as the 2007 Basketball Coach of the Year. Coach Peters says that he "loves teaching, and coaching is teaching in its purest form." In his eyes, the best coaches are those who have high ethical standards and a never-ending desire to learn.

His father had the most influence on his athletic career because of a keen sense of the intangibles necessary for success in sports. Coach Peters grew up always wanting to be a teacher and a coach. He says he has looked forward to going to work every day for forty-eight years.

CROSS COUNTRY

Joe Tyler, Head Coach

This season will mark Coach Tyler's eighth as head coach of the cross-country team. Prior to MUS, he was assistant cross-country coach at CBHS and Houston High School. Tyler grew up in Kansas City, Missouri, graduated from Creighton University, and obtained a master's degree from the University of Memphis. He came to MUS in 1999 to teach mathematics in the Lower School and has assisted in coaching basketball and track. He now serves as the Assistant Principal in the Lower School in addition to his teaching and coaching duties. His first cross-country squad in 2000 contributed to the excellence of the MUS program as they finished a solid third in the state meet, and in 2005, the squad finished second in

the state, its highest finish since 1996. This past year the team once again advanced to the state meet, finishing eighth. Coach Tyler has been recognized twice by *The Commercial Appeal* as the Cross Country Coach of the Year in both 2001 and 2005. He also won the 2007 Distinguished Teacher Award in recognition of his teaching talents and service to the school.

King joined the staff in 2004 and set quite a standard in his first year as his team finished second at the state tournament after having led following day one. For this success, he was named *The Commercial Appeal's* Golf Coach of the Year for 2004. After his 2005 squad had won the school's eleventh regional team title, this past-year's team came back to finish third at the state tournament, the highest finish of any West-Tennessee team. King came to MUS highly recommended as he took over a very successful program that has claimed four state titles and five runner-up finishes. Prior to his arrival, he served as the head golf professional at Spring Creek Ranch in Collierville for four years. He also was the assistant golf professional at Memphis Country Club for more than seven years before his time at Spring Creek Ranch. King has instructed golfers of all ages since 1990 and has worked in golf club operations since 1982. He is a Class A PGA Member and past Secretary of the West Tennessee PGA.

Elliott Dent, Head Coach

Lacrosse started as a club sport at MUS in 1990 but grew in popularity and became the tenth varsity sport in 1995. In 1996, Elliott Dent came fresh from college-level lacrosse at Hampden-Sydney to teach religion and English and become head coach of the varsity lacrosse team. Since 1998, when the team won its first state championship, Dent's squads have been the elite program in Tennessee, winning five titles during his stay. In 2007, the team had advanced to the state finals before losing in overtime. During Dent's tenure, the team beat McCallie and MBA for the first time in the school's history as well as schools from other states such as California, Connecticut, Illinois, New Jersey, New York, Ohio, Pennsylvania, and Virginia. Dent enjoys teaching the sport that he loves

and watching his young players gain self-confidence. Under his leadership the summer lacrosse camp has become very popular, introducing record numbers of boys to the game. He feels that the real payoff for a coach occurs when he sees a player become enthusiastic and learn to appreciate the sport.

SOCCER

Vincent Beck, Head Coach

Beck has been the head coach of the MUS soccer team for the past eleven seasons. In 1998, Coach Beck led the team to the state quarterfinals and has reached the state tournament every year since. He has also led some championship squads, including the 1999 team, which was undefeated in the region and took home the regional championship. And his 2004 squad reached high-school soccer's pinnacle by winning the state title, defeating University School of Nashville, 2-0, in the championship match. Last year, the team finished second in the region and advanced to the state quarterfinals. Beck says he enjoys coaching because it is both challenging and different every year. Beck grew up in Scotland playing soccer, but he says his inspiration came from Mike Berticelli, former head soccer coach at the University of Notre Dame. Before coming to MUS, Coach Beck had played indoor soccer professionally for twelve years and had been a three-time All-Star. He also was an assistant coach for a professional team for three years and coached high-school boys and girls teams for two years. He even played two seasons for the Memphis Express, a professional team in Memphis. For the outstanding 2004 season, *The Commercial Appeal* named Beck the Soccer Coach of the Year.

Laurie Clark, Head Coach

Under the coaching of Clark, swimming came to MUS as a club sport in 1999 and became the eleventh varsity sport in 2001. Now in their ninth year, the Aquatic Owls compete in the Shelby County High School Swim Conference, which includes seventeen public and private schools in the city. During the season, the squad has participated in several large meets such as the Excel Invitational in Nashville and the McCallie Invitational in Chattanooga before ending their year at the Tennessee State High School Championships. One of the largest men's swim teams in the area, the squad averages over thirty swimmers per season. Going 71-20 last season, the team reset three

MUS individual records and the 400-yard freestyle relay record in addition to their runner-up team finish at the county championships. Coach Clark is an ASCA certified swim coach as well as a Red Cross certified lifeguard and CPR instructor. A graduate of Eastern Illinois University with a B.S. in business, she also coaches the 150-member Chickasaw Country Club swim team in the summer. In addition to varsity duties and overseeing the Lower-School swim team, she assists in the Academic Dean's office with records and scheduling. The mother of MUS alumnus Bryan '02 and Daniel, a tenth-grader, she still enjoys swimming herself and participated in the Memphis in May Triathlon for the second consecutive year.

With seven state team championships in the last decade, Coach Taylor and the tennis program continue as one of the dominant sports program in Tennessee high-school athletics. In his thirty-second season with the Owls, he has coached his teams to twenty-two district championships along with twenty-seven regional titles. Overall, his teams have won eleven state titles and been the runner-up seven more times, and his players have claimed eleven state doubles titles and five more singles championships. Additionally, Taylor's squads have won more than seventy-five invitational, district, regional, and state tournaments. Taylor has been named Tennis Coach of the Year by *The Commercial Appeal* for nine of the past eleven years, including in 2007. In college, Taylor played tennis for

Southwestern (now Rhodes College) while earning his degree. Besides coaching, he also teaches biology and AP Biology, and during the summer, he is involved in the MUS-in-Europe programs.

After a two-year hiatus, Coach Alston returned in 2002 as head coach of the track team. Since he came to MUS thirty-one years ago, Alston's track-and-field teams have won three state championships ('94, '95, '97), were state runner-up four more times ('91-'93, '07), and captured eighteen regional titles. Relay teams were state winners in 1993 and 1994, state runner-up in the three years that followed ('95-'97), and took home the regional championship four consecutive years ('93-'96). In 2007, the track team again won the regional meet and finished second at state, scoring 108.5 points, the most ever scored in school history at the state meet. Because of the outstanding season, *The Commercial Appeal* recognized him as the 2007 Track & Field Coach of the Year. Shaun Gehres, Head Coach

Gehres took over the blossoming wrestling team in 2005 after having served as an assistant to Coach Tommy Harrison for three years. This season will be his third as varsity head coach. He began his wrestling career at the age of seven in the Maryland Junior Wrestling League (MJWL), and with the help of his brothers and coach, who later became his stepfather, Gehres was a member of two state-championship and three all-star teams in his four years as part of the MJWL. Following a move to Arizona at the age of eleven to live with his father, Gehres would wrestle in Arizona until his sophomore year of high school when he left to attend the Blue Ridge School near Charlottesville, Virginia. Gehres posted a 27-6 record his sophomore year, a 29-8 record his junior year (including

a state championship), and an undefeated 20-0 senior season, which was cut short with an injury one week prior to the state championship. Despite the injury, Gehres was still named the Virginia Prep League Most Valuable Wrestler and obtained first-team all-state status. Since he took over as head coach, his teams continue to progress as his 2005 squad won the school's first dual match ever at the state competition with their victory over Brentwood Academy. This past year, the team advanced to their seventh consecutive State Dual Meet, and three Owl wrestlers medaled two weeks later in the Individual State Tournament.

MUS FOOTBALL 2007

VARSITY COACHES

Bobby Alston
Head Coach/Quarterbacks

Hired by Col. Ross Lynn in 1977 to teach physical education and coach, Bobby Alston's first coaching duties included guiding the eighth-grade football team for one season. Later, after a two-year undefeated stint with the ninth-grade football team, Alston joined the varsity staff full-time in 1980 as defensive coordinator. Three years later Alston switched to the offensive side as the Owls moved from the wishbone to a more wide-open attack. In 1998 he became only the third head football coach in the school's history, following Gene Thorn (1957-58) and Jake Rudolph (1959-1997). During his tenure on the Owls' staff, MUS has won 227 games and lost 85, had two state runner-up finishes, and won three state championships, including the 2004 and 2005 title. Additionally, he was named Coach of the Year by *The Commercial Appeal* in 2004 and 2005. And this past spring, he was awarded the Rex Dockery Award, presented by the Memphis Chapter of the National Football Foundation and College Hall of Fame. Coach Alston and his wife, Sally, have two children, Meredith and Drew, a 2006 MUS graduate.

Bo Bohannon
Offensive Line

With extensive coaching experience, Bohannon returns to the staff this year as he will help with the offensive line. He got into high-school athletics at Elliston Academy in 1976 coaching football, basketball, and track while still working on his college degree, which he received from Memphis State in 1977. He has also coached at several area high schools, most recently at ECS coaching junior-high football. Additionally, he is a skilled craftsman who frequently does work around campus, including building lockers in the football locker-room this past summer. Bohannon's wife, Sheila, works in the MUS Headmaster's office, and they have two grown children, Kevin '98 and Bethany.

John Cady
Defensive Line

Cady returns after an eleven-year absence from MUS, bringing over thirty years of coaching experience with him. A 1969 MUS alumnus, he played at Southwestern on the defensive line. Upon graduation, he started coaching at Elliston Academy in 1973, and he has remained in education ever since. Cady returned to MUS in 1982 and taught, coached, and served in the administration. He left in 1996 to take over as head football coach at a private school in Charlotte, North Carolina. Since leaving there in 1999, he served at Briarcrest, Ridgeway, and Craigmont, and last year he worked as a college-guidance counselor at Lausanne and coached football at ECS. In addition to his coaching duties here, he will serve as Director of Student Life in the Upper School.

Mark Chubb
Linebackers

This season marks Chubb's second as the leader of the Owls' defense. He began at Wittenberg University in Springfield, Ohio, where he had an outstanding playing career that included being selected First-Team All-Conference for three years as an offensive lineman as well as to the conference All-Decade Team. Upon graduation in 1995, he began teaching at The Ridgeway School and coaching at Wittenberg. After two seasons at his *alma mater*, Chubb had spent one year coaching offensive linemen at Evansville University before coming to Rhodes College in 1998. While at Rhodes, he did just about everything, including coaching baseball, softball, and track in addition to his football duties. He and his wife, Catherine (Hutchison athletic director), have one son, Braden, and a newborn daughter, Brannon.

Jerry Ellis
Defensive Line

Ellis joined the program four seasons ago as an experienced coach to help with the offensive line after having retired in 2003 from the Shelby County School System. He moved over to coach defense two seasons ago. A graduate of Germantown High School and Memphis State, he began coaching in 1966 at Germantown and stayed there until taking over the new program at Houston High School as head coach in 1989. He returned to Germantown in 1995 as an assistant and remained there until his retirement. Ellis and his wife, Ann, have three grown sons – Conn, Todd, and Sean, an Auburn graduate.

Shaun Gehres
Safties/Kickers/Punters

A graduate of the Blue Ridge School of Virginia and Rhodes College, Gehres came to campus in 2002 to teach Lower-School history and assist with wrestling and football. He now is the head varsity wrestling coach. On the football staff, he coaches in the secondary as well as kickers and punters. A Bonner Scholar, Gehres played football for four years at Rhodes where he ranked fourth in punting for NCAA Division III schools his senior year. He was also a high-school state-champion wrestler in Virginia. His wife, Stephanie, is a medical resident in Memphis, and they have one son, Kellan.

Kyle Finney
Running Backs

Finney is one of three additions to the staff this season, but he is no stranger to coaching and teaching. Having graduated from Sky-View Academy and Delta State University, he started coaching right out of college, working at Bayou Academy in Cleveland, Mississippi, with the basketball, track, and football programs. Later, he moved to Lee Academy in Clarksdale and remained there seventeen years, coaching baseball, basketball, football, and track, and in 2003, he became the school's varsity football head coach. Most recently, he served as the varsity football head coach at Tipton-Rosemark Academy. In addition to his teaching duties, he also owns a web-design company, Kyle's Designs. Finney and his wife, Kim, have two sons: Hunter and Landon, an MUS freshman.

Tommy Harrison
Offensive Line/Special Teams

Before coming to MUS, Tommy Harrison had held positions as the head football coach at Millington Central High School and head basketball coach at both Germantown and Westwood High School. This season will be his eleventh with the Owls as the offensive line coach, and he again assumes the duties as special-teams coordinator. Additionally, he oversees the Campus Center, co-hosts a sports-talk radio show, and runs a high-school football combine each May. Harrison feels that a good coach is one who desires to learn every day and that coaching gives him a great opportunity to help teach others. He and his wife, Carol, have been married forty-four years. They have two grown children and two grandchildren, Alanna and Thomas.

Orlando McKay
Receivers

This season marks Coach McKay's seventh year in his second stint at MUS. Before his two-year hiatus from MUS, McKay had coached football and track and served as the strength and conditioning coach for four years. He now has returned to work in those same areas as well as coach track at Hutchison. As a wide receiver for the 1991 National Championship squad at the University of Washington, McKay earned All-PAC 10 honors as well as his championship ring. He then went on to be a professional receiver for the NFL's Green Bay Packers in 1992. Coaching, he says, gives him the chance to pass on everything that he has learned through his own experiences. He and his wife, Dawn, have three young sons – Aedan, Seth, and Gavin.

Scott Vogel
Quarterbacks

Vogel returns to the staff in 2007 following a one-year stint at the University of Memphis serving as a graduate assistant football coach. This season, he will help with the quarterbacks. An MUS alumnus, Vogel played quarterback and defensive back until his graduation in 2000. From MUS, he chose to play for Memphis, where he lettered four years and earned All-Conference USA third-team honors his junior year as a defensive back. After having graduated in 2004, he returned to assist Coach Alston for one season before returning to Memphis as a graduate assistant. Vogel will bring much knowledge and enthusiasm to the staff this year.

Johnny Jones
Outside Linebackers

Jones came to MUS two years ago as a weight-room supervisor and joined the staff last season to coach *buzzards*. He brings to the staff a great deal of playing experience. Growing up in Batesville, Mississippi, Jones attended high-school power South Panola High School and played linebacker until his graduation in 1994. From there, he played defensive end at Ole Miss for three years and one season at Northwest Mississippi Junior College. His professional career included stops at Arena League cities Jackson, Mississippi, and St. Louis in 2004. He came to Memphis to begin his second career, athletic training, having started at 24-Hour Fitness before beginning his own service, Next Level Enterprises, run at MUS. Jones and his wife, Monica, were married in July of 2005.

Glenn Rogers
Defensive Backs

Coach Rogers returned to the faculty and staff four seasons ago after having spent the 2002 season coaching the Montreal Alouettes, a Canadian-Football-League professional team. A graduate of Southside High School and Memphis State, Rogers first came to MUS in 2000 to teach P.E. for two years. After a standout college career, he spent two seasons in the NFL and played his last seven seasons in the CFL. In addition to his coaching and teaching duties, Rogers joined the Admissions staff in the spring of 2005 as an Assistant to the Director. Coach Rogers is married to Tonette, a nurse at Select Hospital. Rogers has a son, Kendrick, and a daughter named Mya.

David Ferebee
Athletic Trainer

After a one-year stint in Quantico, Virginia, working as the athletic trainer for Officer Candidates School at the United States Marine Corps Base in 2003, Ferebee returned in 2005 to continue as the school's trainer. Prior to his four-year stay at MUS before Virginia, Ferebee had worked six years for HealthSouth, a tenure which included two seasons with the Memphis Pharaohs Arena Football team as well as working the 1994 and 1997 SEC Basketball Tournaments in Memphis. Before coming to Memphis, he had been a student trainer at The Ohio State University. He and his wife, Kelli, have one young son, Benton.

Kennon Vaughan
Team Chaplain

Vaughan begins his second season on staff, but he is no stranger to the MUS community. A 1996 alumnus of MUS where he played football and baseball, Vaughan attended Auburn University. Since college graduation, he had played baseball for Athletes in Action, a Christian sports ministry, before becoming a youth minister in both Memphis and Kansas City, Missouri, for nearly five years. He has also coached both baseball and football during that time. His last football job was serving as offensive coordinator for Denton Calvary Academy in Denton, Texas. Vaughan returned to Memphis two years ago to direct DownLine Ministries, an organization that provides discipleship training to young men from all over the country. Vaughan and his wife, Kathryn, were married earlier in 2006.

In Memory of a Great Leader

Mr. D Eugene Thorn

The development of well-rounded young men of strong moral character is one of the primary objectives of an MUS education. Coach Thorn once said, "There is no better insurance for a young man's future than to have an inspiring, intellectually stimulating teacher who can serve as counselor, friend and role model." Headmaster Emeritus Gene Thorn embodied this ideal as he served the MUS community for 37 years as a dedicated teacher, mentor, coach, role model and leader.

With great admiration and respect, we pay tribute to Coach Thorn.

DeAndre Jones
#34, 6-0, 220, LB

Career Stats: As a freshman in 2004, played in nine games and recorded 11 tackles as a strong safety (*buzzard*). In 2005, started eleven games as a buzzard and was fifth on the team in tackles, recording 46 solo stops. Also tallied 3 tackles-for-loss for 5 yards. As a junior, started all eleven games at buzzard and notched 68 total tackles, including a team-high 11 against MBA, as he finished third on the team. Also tallied 11 tackles against Baylor in the regular season and 10 against the Red Raiders in the playoffs. Additionally, recorded 2 sacks in 2006, totaling

11 yards, and led the team in tackles-for-loss, recording 13 for 36 yards. Also forced a fumble against MBA and one against CBHS and recovered a fumble in the Baylor playoff game. Will be looked to anchor a defense that lost nine senior starters from last-year's team. Was named an honorable mention on the 2006 *Super Prep Coaches All-State* team. Will serve as one of three senior captains this year.

About DeAndre: Best memory of MUS? Winning state back-to-back • **What class or faculty member has influenced you the most and why?** Physics B – it taught me that school is only as hard as you make it. • **Ideal college choice and why?** A school with very strong academics and attractions for free time • **What do you see yourself doing in ten years?** Making at least six figures either in the NFL or in the engineering field • **What do you like to do in your spare time?** Talk on the phone, hang with friends, party, exercise, MySpace, Facebook • **Favorite movie?** 300 • **Favorite restaurant?** My girlfriend's house • **Favorite TV show?** Family Guy • **Favorite pregame pump-up song?** Al Pacino's speech in *Any Given Sunday* • **If you could be any professional athlete (living or dead), who would you be?** Ray Lewis • **Dream job?** Being an NFL player or an engineer • **If you wrote your autobiography, what would the title be?** *Put Ya Stumma Shades On Cuz My Future So Bright*

Nathaniel Kastan
#75, 5-11, 195, DL

Career Stats: Played in two games as a freshman in 2004 on the defensive line. In 2005, played in ten games, serving as nose guard and defensive tackle. Recorded 7 total tackles, including 1 tackle-for-loss for 2 yards. As a junior, played in all eleven games, starting four of those as a nose guard. Also played defensive tackle. Tallied 5 total tackles, including 1 tackle against Nease, Kingsbury, Briarcrest, and both Baylor games. Notched a sack against Kingsbury for a 3-yard loss, and had 3 tackles-for-loss for 10 yards. One of three returning defensive starters.

About Nathaniel: Best memory of MUS? My MUS past is full of great memories, so it is hard to say. But winning two state championships in football is way up there. • **What class or faculty member has influenced you the most and why?** All my classes have influenced me in different way, and I have really had an amazing lineup of teachers, so I could never pick. • **Ideal college choice and why?** Some of my top choices now include UNC, Washington University, Middleburg, Williams, and similar colleges. They all offer different strengths. • **What do you see yourself doing in ten years?** Probably going to med school • **What do you like to do in your spare time?** Hang out with friends and perform magic for other people • **Favorite movie?** 300 • **Favorite restaurant?** Texas de Brazil • **Favorite TV show?** Scrubs • **Favorite pregame pump-up song?** Pastor Troy's *We Ready* • **If you could be any professional athlete (living or dead), who would you be?** Peyton Manning • **Dream job?** Neurological research • **If you wrote your autobiography, what would the title be?** *Striving For The Title 'Renaissance Man'*

SALUTE TO ALL MUS FOOTBALL COACHES

The success of MUS varsity football is helped by the overall depth of the football program at MUS and the numerous coaches and assistants who give their time and talents to prepare boys for the sport and teach them sportsmanship. Besides the varsity team, MUS fields teams at four levels with help from the following coaches:

JV/Freshmen Coaches: Bobby Alston, Bo Bohannon, John Cady, Mark Chubb, Jerry Ellis, Kyle Finney, Shaun Gehres, Tommy Harrison, Johnny Jones, Orlando McKay, Glenn Rogers, Kennon Vaughan, Scott Vogel

Eighth-Grade Coach: Bobby Wade
Assistants: John Barton, Larry Heathcott, David Thompson, Jay Webb

Seventh-Grade Coach: Jim Burnett
Assistants: Craig Christenbury, Rankin Fowlkes, Drew Harris, Mark Pera, Scott Williams

Listen to MUS Football on 92 FM-WUMR

University of Memphis Radio Station

If you can't be there, listen to all the MUS varsity football games on the University of Memphis Radio Station at 91.7/92 FM. This will mark the eleventh year of Owl Broadcasting with Mike Lawhead giving play-by-play and Bobby Wade '84 providing color commentary.

Check out the MUS website for updated sports information:
www.musowls.org/athletics/index.html

THE VOICE OF THE OWLS

If you have attended an MUS home football game in the last twenty-two years, you have heard the voice of "Stormin'" Norman Thompson over the loudspeaker. Thompson, MUS English teacher by day since 1972, became the play-by-play announcer for the Owls' home games in the fall of 1985.

Thompson didn't go looking for the job as he recalls.

"The real announcer, Hal Fogelman, had left to be the voice of the Memphis Chicks, and I just happened to be in the vicinity when it occurred to Coach Rudolph that SOMEONE was needed to man the microphone. So here I am all these years later—not good enough to be picked up by the networks but not bad enough to be sacked."

Pictured from the 1990 MUS yearbook, Norman Thompson and Bill Taylor man the press box.

Since that first season, Thompson has not missed a home game. MUS won the state championship that year, but Thompson says, "Win or lose, it has been my rare privilege to watch young men perform extraordinary feats of athleticism and selflessness, winning and losing with class and dignity. There is no place on earth that I would rather be on a Friday night."

Bill Taylor is also on hand every home game to aid Thompson by spotting players and maybe even a cheerleader or two as the duo sit perched high above the bleachers in the press box.

Over the years, Thompson has honed his skill at reporting and has become famous for coining such terms as "Tackle made by a host of Owls!" and has even been referred to as the "Voice of the Owls."

So, upon attending a future home game, take a time out to listen to "Stormin' Norman" call them as he sees them.

OWLS WIN LATE-NIGHT OPENER AT BRIDGES

In one of the most anticipated Memphis high-school games in recent years, the MUS varsity football team began the 2006 campaign by defeating Melrose in the feature game of the Bridges Kickoff Classic at Liberty Bowl Memorial Stadium.

MUS looked stout defensively from the very start as they forced Melrose to a three-and-out on their first drive. On the Melrose punt attempt from their own 22-yard line, junior **Patrick Boyer**, playing in his first varsity game, got past the large Melrose line to recover punter Cortez Walton's fumble at the Melrose 8-yard line.

However, MUS could not turn the great field position into a touchdown as the talented Melrose defense forced MUS into a 22-yard field-goal attempt, which **Zach Scott** nailed to give the Owls the lead with 8:04 left in the first quarter.

On Melrose's next drive, the Wildcats were somewhat more successful moving the ball, yet Boyer once again made a big play as he picked off QB Courtney Madison's pass at the MUS 41-yard line and returned it to the MUS 49.

This time, the Owls would convert the takeaway into a touchdown.

Using a balanced offensive attack of completions from QB **Michael Park** and nice runs from RBs **Chase Moore** and **Walt Wepfer**, the Owls moved the ball to the Melrose 3-yard line. From there, Park needed only two sneaks to get into the end zone for the score. Scott missed the PAT as the score stood at 9-0 with 2:40 left in the first quarter.

For much of the second quarter, neither team could muster much offensively as penalties and turnovers halted drives. But Melrose demonstrated why they were picked #2 in the city on their final drive of the half.

Behind backup quarterback TraMarcus Toney, the Golden Wildcats moved the ball 85 yards on seven plays before a 10-yard touchdown strike from Toney to Justin Stone with :07 left in the half. Toney would also make the PAT to make the score 9-7 heading into halftime.

The game turned into a defensive struggle in the third quarter as neither team could score.

But Melrose would finally put together another good drive to start the fourth quarter.

With Melrose driving, a crucial penalty took away a Boyer interception and moved the ball to the 7-yard line. From there, RB Christopher Nash showed his

great quickness and scored to give the Wildcats the lead for the first time at 14-9 with 9:59 remaining.

However, the Owls came back as **Miles Bryant** returned the ensuing kickoff 27 yards to the MUS 38-yard line.

But after several plays, MUS faced a fourth-and-three on the Golden Wildcat 42-yard line.

Going for the first down, Park continued the drive as he scrambled for 4 yards on an option run for a first down.

Finally in Melrose territory, MUS would pound the ball, moving it 34 yards on 6 rushes to the 3-yard line. From there, Park needed two QB sneaks to score with 3:02 left on the clock. Park would also convert the two-point conversion to give the Owls a 17-14 lead.

But Melrose didn't quit.

Justin Holloway had returned the kickoff 84 yards before sophomore **Barry Hillyer** made a game-saving tackle at the MUS 15-yard line. With the end zone and a win in sight, Melrose again hurt themselves with three penalties that set up a fourth-and-26. On the fourth-down play, **John Stokes** tackled the receiver before he could gain the first down, giving the Owls the ball and the victory with :10 left.

FLORIDA POWERHOUSE DOMINATES THE OWLS

In its first game outside of Tennessee in almost seven years, the varsity football team found out just how good a high-school team can be as they were handled by Nease (FL) High School, 34-3, in the Bill Bates Classic in Jacksonville, Florida, in game two.

The MUS offense was stifled most of the game by the aggressive, blitzing Nease defenders as the Owls accumulated only 9 first downs and 157 yards of total offense. They drove past midfield only twice and converted only two of thirteen third-down opportunities.

But much of the credit for the offensive ineffectiveness of the Owls (1-1) should go to the Panthers (1-0), the defending Florida 4-A state champions. They continually pressured **QB Michael Park**, who finished 8-20 for 93 yards, and their size and aggression bothered the MUS receivers.

Yet the game remained close early on.

The Panthers led only 14-0 at the half as they took advantage of MUS miscues.

First, standout Kyle Timpane made the most of an unusual play as he snatched a ball kicked off the ground after a low punt snap to **Drew Alston** and returned it 49 yards for a touchdown. Allen Schaefer added the PAT for the 7-0 lead.

Then, just five minutes later, Nease struck again as the Owls gave up large chunks of yardage. Taking over at their own 16, the Panthers needed only 5 plays to score as QB Ted Stachitas hit Quinton Huggins, and the speedy receiver darted the 42 yards for the score. Schaefer's extra-point doubled the lead.

But that was all the scoring of the half as the MUS defense played better, allowing only 42 yards from the 2:30 mark of the first quarter to the half. Yet MUS could never find any offensive momentum.

Halftime gave the Owls hope that they could get back into the game as they were able to recuperate some from the brutal humidity on this muggy day. They would also get the ball to begin the second half, so they looked forward to the opportunity.

But a bad snap in Nease territory squelched the opening drive and all but ended the Owls' hopes of winning as the Panthers took advantage to score.

Following the turnover, Nick Tronti's 7-yard run culminated the 9-play, 55-yard drive, amassing approximately 2:30. Schaefer's missed PAT kept the score at 20-0.

Nease would score two more touchdowns in the second half. First, Chris Johnson's 8-yard run late in the third quarter ended an 83-yard drive, and then Stachitas' 28-yard scamper early in the fourth quarter increased the lead to 34 as the rout was on.

But the Owls refused to quit as they took advantage of a Nease turnover late in the game.

Following **Ian Thomas'** fumble recovery at the Nease 21, MUS could get only to the 12 before stalling. Taking the sure points, **Zach Scott** connected on the 29-yard field goal to complete the scoring.

The Owls hope to learn from this unique experience and improve. Though they did not win, they played one of the best teams in the nation and know what it takes to reach that level.

MUS FINDS SUCCESS IN CONFERENCE PLAY

Needing to bounce back from a loss to Nease (FL), the MUS varsity football team opened up their conference season with a blue-collar win over Montgomery Bell Academy, taking the hard-fought, defensive battle, 10-7, in the first game played in the new all-sports stadium.

Just as they have frequently the past three seasons, the Owls (2-1, 1-0) overcame a fourth-quarter deficit to beat the Big Red (2-1, 0-1).

After both teams had opened the game with three-and-outs, the MUS offense looked good on their next drive as they put together a 10-play, 57-yard drive. However, once reaching the MBA 4-yard line, the Owls could not find the end zone as they were forced to kick a field goal. **Zach Scott** nailed a 20-yarder to give MUS a 3-0 advantage early.

That field goal would hold for much of the first half, but MBA would finally start moving the ball late in the second quarter.

On 2nd-and-10 from the MBA 41-yard line, RB Patrick Crum dashed 22 yards to get into MUS territory. Four plays later, QB Austin Bennett completed a 26-yard pass to Swan Burris for the score. Clayton Foster's PAT made the score 7-3 with 1:27 remaining in the half.

MUS could not answer in the little time left in the half, and MBA went into the locker room with momentum and the lead.

The second half opened up with a 28-yard drive by MBA before **DeAndre Jones** forced a Bennett fumble on the MUS 45-yard line, recovered by senior DE **Buck Townner**.

Despite the good field position, the Owls could not capitalize and were once again stopped by the persistent Big Red defense. This trend continued throughout the third quarter and through some of the fourth quarter until the Owls finally began to put together a drive.

Starting on their own 32-yard line, QB **Michael Park** and RB **Walt Wepfer** made some crucial plays to move the ball to the MBA 32-yard line. From there, Park hooked up with the versatile Scott for the go-ahead score with 7:43 remaining in the game. Scott tacked on the PAT for the Owls as they regained the lead, 10-7.

On their last drive of the game, MBA moved into MUS territory in the final minute, but without any times out, the Big Red ended their own hopes with a 15-yard unsportsmanlike-conduct penalty that pushed them back into their own territory. On the last play of the game, **Ben Stallworth** sacked Bennett to preserve the victory.

The game was remarkably even as MUS held only a 12-yard advantage in total offense, and both teams had the ball 24:00. But the Owl defensive front and third-down conversion rate (5/12 compared to MBA's 2/10) were the keys to victory.

With the win, MUS extended the series lead over MBA to 9-6 as they defeated the Big Red for the fourth consecutive time.

EAGLES' BIG PLAYS UPEND OWLS

In a game full of big plays and momentum changes, the MUS varsity football team fell to cross-town rival ECS on the road, 21-12, in game four of 2007.

In front of a huge crowd, ECS (4-0) made numerous big plays which the Owls (2-2) could not answer as two fourth-quarter touchdowns ended the hopes of MUS.

Yet the Owls looked poised in the first-quarter as they jumped out to an early lead.

On only the second play of the game, **John Stokes** intercepted an Adam Currie pass and returned it to the ECS 27-yard line.

The visitors wasted little time getting into the end zone from there. From the 5-yard line, **Walt Wepfer** outran the ECS defenders and dove into the right corner of the end zone to give MUS the 6-0 lead. However, **Zach Scott** could not connect on what would be a crucial PAT, and the score stood at 6-0.

However, for the rest of the quarter, MUS could not gain back their offensive rhythm and extend the lead.

Consequently, the Eagles took advantage of the inconsistent play and, after an interception return deep into MUS territory, reached the MUS 1-yard line. Currie ran a QB sneak into the end zone to start the second quarter and get the Eagles back in the game. Jonathan Hodges nailed the PAT to give ECS a 7-6 advantage with 11:56 remaining in the half.

The rest of the second quarter consisted of long but unproductive drives by the MUS offense, ending in perfectly positioned punts by **Drew Alston**. Consistently having bad field position, ECS could not put any more points on the board, and the half ended.

A halftime deficit was nothing new to the Owls, having trailed at the break in two or their first three games this season.

But ECS would not fold in this game.

Both defenses dominated for the entire third quarter, and neither team could score. Turnovers and penalties consistently limited the Owl offense, and the score stood at 7-6 heading into the fourth quarter.

After another great Alston punt positioned the Eagles deep in their own territory, the ECS offense made its first huge play just four minutes into the fourth quarter.

On a 2nd-and-13 from their own 12-yard line, Adam Currie found John Barry Jenkins behind the MUS secondary, and Jenkins outran his pursuers for the score. Hodges added the PAT to give ECS a 14-6 advantage.

But MUS refused to give up.

The MUS offense finally found some momentum on their next drive as **Michael Park** completed passes of 10, 7, and 11 yards, and he scrambled for gains of 8 and 9 yards to move the Owls to the ECS 1-yard line. Park then dove in from there to make the score 14-12 with 5:35 remaining. Forced to go for two, Park was flushed out of the pocket and had to make a tough pass, which was incomplete.

To keep their chances alive, the Owls then had to get a stop and get the ball back. And they accomplished their goal very quickly and forced the Eagles to punt.

Yet, after having taken over at their own 30 with just 3:53 to go, the Owls' bid for victory took a serious blow as Park was picked off on the second play of the drive at the MUS 41-yard line.

With the good field position, the Eagles had the chance to score and end the game. On a crucial 4th-and-9 from the MUS 30-yard line, Nick Crawford made a amazing, diving catch in the back of the end zone with just 1:54 left in the game. The PAT was good, and the catch subsequently ended the Owls' comeback attempt.

JUST SHORT AGAINST BAYLOR

In a game full of homecomings, the MUS varsity football team fell to the Baylor School at the grand opening of the new sports complex, 22-20.

Baylor, led by former coaches Phil Massey and Bubba Burr, along with former Owl Tyler Massey, won a hard-fought, emotional game. Behind Tennessee commitment Kevin Cooper's 202 rushing yards, the Red Raiders outgained the Owls in total yardage, 397-246, in route to the comeback victory.

Baylor (4-1, 1-1) looked very strong from the outset as their defense drove the MUS offense back to its own 12-yard line on the first drive of the game.

Following a **Drew Alston** punt, the Red Raiders took over on its own 48-yard line and immediately began moving the ball. After three Cooper rushes for 35 yards, the Owl defense finally stopped the visitors and forced a field-goal attempt. The 32-yard Tanner Taylor try missed wide, and the Owls (2-3, 1-1) escaped, at least for now.

But Baylor would score on their next drive as they continued to pound it on the ground with Cooper. From the MUS 12-yard line, Cooper ran up the middle for the score that culminated the eleven-play, 68-yard drive that amassed 4:38. The PAT was good for a 7-0 Baylor lead.

The rest of the half would continue to consist of MUS punts and long drives by Baylor. However, the Red Raiders could not put the Owls away as Taylor missed another field-goal attempt, this one from 31-yards out, late in the half, and the Owls trailed only 7-0 at halftime.

The opening of the second half looked much like the first as Cooper continued to dominate on the ground.

Taking the opening drive and moving the ball deep into MUS territory, Baylor was poised to increase its lead. Then, from the MUS 11-yard line, Cooper continued to rack up yardage as he went in for the score to culminate the impressive eight-play, 84-yard drive. Sophomore **Lowell Hays** blocked the PAT to keep the score at 13-0.

But the Owls would finally respond.

QB **Michael Park** completed a 22-yard pass to Alston, and then a 47-yard completion to **Stephen Bowie** to get the ball deep into Baylor territory. Then,

on the seventh play of the drive, Park sneaked in from 1-yard out to get the Owls on the scoreboard. **Zach Scott** nailed the PAT to make the score 13-7.

Apparently, the score got the MUS defense fired up.

On Baylor's first play of the succeeding drive, **John Stokes** forced and recovered a Massey fumble at the MUS 19-yard line. The Owls would score on their very next play as RB **Chase Moore** sprinted into the corner of the end zone from 19 yards out for the touchdown. The PAT was good, and the Owls gained the lead for the first time all night, 14-13, with 4:54 remaining in the third quarter.

With all the momentum in their favor heading into the fourth quarter, the Owls were now faced with the daunting task of stopping the relentless Baylor attack.

Unfortunately, Cooper and Massey were too strong.

Early in the fourth quarter, Massey completed a 51-yard pass to Sidney Tarver that set up a 5-yard touchdown pass from Massey to James Feher that ended the seven-play, 74-yard drive. However, the Baylor two-point-conversion attempt was no good, and the score stood at 19-14.

Needing a score to regain the lead, the Owls made a mistake as Park was picked off by Wes Idlette, who returned it to the MUS 10-yard line. After a nice defensive stand by the Owls, Taylor nailed his 26-yard attempt to give Baylor a 22-14 lead with only 9:01 remaining.

Although they had played inconsistently throughout the game, the Owls still had a chance to pull even with 6:00 remaining in the contest.

With a good balance of Park completions and nice runs by Moore, the Owls moved the ball 73 yards on nine plays to the 2-yard line. From there, Park scored on a quarterback sneak to cut into the lead. MUS was forced to go for two, and when Park's pass was batted down by a Baylor defender, the score stood at 22-20.

Unfortunately, MUS never saw the ball again as Baylor took the win.

TEAM REGAINS WINNING FORM

In a game in which the Owls were heavily favored, the MUS varsity football team dominated the Northside Cougars at Hull-Dobbs Field, winning 48-0 to even their record.

The Cougars (0-4) looked overmatch from the start as they fumbled on their first play from scrimmage, and **John Stokes** recovered at the Northside 19-yard line. Three plays later, the Owls (3-3, 1-1) too advantage of the miscue as QB **Michael Park** scored from 5 yards out. **Zach Scott's** PAT was good to give the Owls a 7-0 lead just 1:32 into the game.

After having fumbled on their next possession, the Owls regained control on their third drive and scored again as RB **Walt Wepfer** sprinted in from 15 yards out to cap off a 3-play, 40-yard drive. Scott nailed the PAT to give the Owls a 14-0 lead.

Amazingly, the Owls would score again on the kickoff following the touchdown as Justin Rayner fumbled near the end zone, and **Michael Folk** recovered it for another score. Scott's PAT was good and gave the Owls a 21-0 lead with 5:52 remaining in the quarter.

The rest of the game would be much like the first quarter as MUS would dominate on the ground and hold Northside to 61 total yards for the game. After a Scott field goal had put the Owls up 24-0 through the first quarter, Owl reserves played the rest of the game, giving the starters an early break. Behind scores from

Wepfer, **Jeffrey Wright**, and **Blair Wright**, along with a 32-yard field goal by **Andrew Maroda**, the Owls led 48-0 by the end of the third quarter.

With good sportsmanship, the Owls did not score in the fourth quarter as MUS cruised.

Overall, MUS decisively dominated the outmanned Cougar squad as the Owls needed only seven pass attempts to gain their 277 total yards and 48 total points. Owl reserves gained valuable experience and played well as the starters rested and begin to look ahead.

TOUGH LOSS IN NASHVILLE

After a convincing win over Memphis Northside, the MUS varsity football team lost to a very talented Brentwood Academy team, 31-14, in Nashville as the Eagles overpowered the Owls, outgaining the visitors 261-51 on the ground.

Brentwood Academy (5-1, 2-1) looked strong from the start.

After having forced the Owls (3-4, 1-2) to punt on the opening possession, BA put together a 54-yard drive on eight plays, capped off by a Chris Jordan 14-yard scoring run. Tyler Baker's PAT was good to give the Eagles a 7-0 early lead.

After the score, both teams traded punts until MUS finally responded.

Starting an impressive drive from their own 28-yard line, the Owls used a strong rushing attack of **Michael Park**, **Walt Wepfer**, and **Chase Moore** to move the ball to the 7-yard line. From there, on the seventeenth play of the possession, Park connected on a screen pass with **Drew Alston** for the score. **Zach Scott** added the PAT to even the score and end the 6:10 drive in the second quarter.

However, the Eagles responded before the half.

With Jordan on the sideline with a knee injury, backup RB Tyree Ford came in and showed the BA depth. From midfield, Ford outran several MUS defenders and scored on just his second carry of the game, giving the lead back to the Eagles with 2:48 remaining in the half. With the PAT, the Eagles led, 14-7, heading into halftime.

After having showed signs of consistently good play in the first half, MUS hoped to build on some of their success in the second half and defeat the Eagles for the fourth straight time.

MUS caught the first break of the half as they forced two early turnovers, both fumbles by WR Bill Kottas. While they could not take advantage of the first, they did make BA pay on the second, a muffed Alston punt.

Taking over at the Eagle 16-yard line following **Sisco Larson's** recovery, Park would score four plays later on a sneak to tie the game following Scott's extra-point.

But the Owls had no answer for Ford.

After Ford had reeled off another huge scoring run of 49 yards to give the Eagles the lead with 6:03 remaining in the third quarter, Brentwood controlled the ball and limited their mistakes the rest of the game to ensure the win.

The Eagles added a 20-yard field goal by Baker and 2-yard touchdown run by Ryan White in the fourth quarter to put the game out of reach as MUS again dropped below .500.

OWLS FALL TO RIVAL WAVE

The MUS varsity football team fell to archrival Christian Brothers in game eight, 35-17, at Tom Nix Stadium as they sought to even their overall record and move closer to a play-off berth. Although MUS moved the ball through the air for much of the game, the stout CBHS running attack eventually wore down the Owl defensive front.

MUS (3-5, 1-3) looked very prepared and ready from the start as **Buck Towner** recovered a Chris-Walker fumble at the CBHS 39-yard line just minutes into the game.

With the ball, the Owls moved deep into CBHS territory after a 22-yard completion from **Michael Park** to **Stephen Bowie**. Then Park sneaked in from one yard out to give the Owls the early advantage. **Zach Scott's** PAT made the score 7-0 with 7:06 remaining in the first quarter.

However, CBHS (6-2, 3-1) would respond as freshman RB Eric Watson capped off an eleven play, 80-yard drive with a one-yard dive of his own. Kevit Ritt's PAT was good to even the score at 7.

After both teams had faltered on their next few drives, CBHS gained the lead when QB John Michael Skinner hit WR Drew Martinez on a 41-yard connection to cap the 3-play, 48-yard drive that began following an MUS interception, one of three thrown by Owl quarterbacks. Ritt's PAT gave the Brothers a 14-7 lead with just 1:11 remaining in the first half.

MUS would respond heading into halftime following an impressive drive.

Taking over at their own 30 with 1:02 remaining in the half, Park got some time and hit 4 of 7 passes, moving the Owls as far as the CBHS 11-yard line. However, the drive stalled, and MUS settled for a Scott 33-yard field goal, making the score 14-10 at the break.

But that was as close as MUS would get on this night. Although they played hard, the defense gave up several big plays that hurt them as they had

difficulty containing the trio of Skinner, Martinez, and Watson.

First, a 50-yard touchdown pass from Skinner to Martinez early in the third quarter increased the Wave lead to 21-10 just minutes in.

The Owls did respond late in the third as they put together a 12-play, 75-yard drive that amassed 5:26. **Walt Wepfer** culminated the possession with a 12-yard run for the score, and the Scott extra-point cut the lead to 21-17.

Yet MUS could not regain the lead despite having the ball twice near midfield down by four.

A 72-yard scoring run from Skinner and a 16-yard touchdown run from Watson in the fourth quarter salted away the Purple-Wave win.

INJURY DAMPERS BIG WIN

In a game shortened because of an injury to Kingsbury safety Daivious Hewlett, the MUS varsity football team advanced one step closer to a playoff berth as they defeated the Kingsbury Falcons, 34-6, in front of a Homecoming crowd.

Although the Owls (4-5, 1-3) would trail early, the win was never really in doubt as the Falcons (1-8) had no answer for the Owl rushing attack, which accumulated 231 yards, the second highest rushing total of the year.

After having blocked a Kingsbury field goal early in the first quarter following an MUS turnover deep in their own territory, the Owls put together an impressive 7-play, 73-yard to move the ball into Kingsbury territory. From there, **Zach Scott** nailed a 38-yard field goal to give the Owls the 3-0 lead with 7:22 remaining in the quarter.

Following a series of punts, the Falcons would respond early in the second quarter after having forced an MUS fumble on the 50-yard line.

A 30-yard Greg Powell completion to Gabriel Hunter moved the Falcons into Owl territory. From there, Powell would scramble 9 yards for the score to complete the 8-play drive. The two-point conversion was no good, and the score stood at 6-3 with 6:36 remaining in the half.

The Owls would respond and take back the lead for good as they continued to run the ball effectively on the Falcon frontline late in the half.

Walt Wepfer and **Michael Park** would move the ball a combined 66 yards, all on the ground, to the Falcon goal line. From there, Park would sneak in from 1-yard out to give the Owls the lead once again and culminate the 11-play, 67-yard drive. Scott's PAT was good as the Owls regained the lead, 10-6, with 1:41 remaining.

But MUS wanted more, and they got an opportunity following a defensive stand and a good use of times-out by the coaches.

Taking over at the Falcon 32 with just 27 seconds remaining, the Owls got close following a 28-yard run by Wepfer, who finished the night with 160

rushing yards and added 28 receiving yards on 3 receptions. To end the half, Scott booted through a 25-yard field goal to extend the lead to 7 at the break.

Having regained the lead, the Owls would dominate for the remainder of the game.

MUS would add to the lead on their first possession of the half with a 7-yard scoring run from Wepfer. Then they would tack on a deep 67-yard touchdown pass from Park to **Stephen Bowie** on the second play of the fourth quarter to give them a 27-6 lead.

The Owls would continue to add to the lead following another Kingsbury punt, the fourth of the evening.

Taking over at their own 14, MUS amassed large chunks of yardage against a worn-out Falcon defense, including a 20-yard run by **Chase Moore**. Then from the Kingsbury 39, Park hit **Taylor Reed** for the score to extend the lead.

However, the fun would end after the Scott PAT had given the Owls a 34-6 lead because of an injury to Hewlett, who was trying to block the extra-point. The game was called with 6:04 remaining.

VICTORY EARNS PLAYOFF BERTH

Needing a win to advance to the state playoffs, the MUS varsity football team responded as they soundly defeated the Briarcrest Saints, 35-0, in the final regular-season game at Hull-Dobbs. The Owls put up points from both sides of the ball in the drubbing of their cross-town rival

MUS (5-5, 2-3) jumped out early on the Saints (2-8, 0-5) with a big play on special teams.

When **Lowell Hays** blocked a Mark Longworth field-goal attempt from 28 yards out, senior **Allie Folk** picked up the ball and rumbled for a 63-yard score. **Zach Scott's** PAT gave the Owls the early 7-0 lead just 4:50 into the game.

Behind the huge momentum swing, the Owls would control both sides of the ball for much of the game.

Two series after Folk's touchdown, the Owls would extend their lead as **Walt Wepfer** took a **Michael Park** screen pass 30 yards for the score to complete the 5-play, 52-yard drive that amassed 2:04. Scott's extra-point gave the Owls a 14-0 just one play into the second quarter.

Despite being down, Briarcrest played hard throughout and would not allow MUS to put them away. However, they could not find the end zone even though they had a 10-play drive in the second quarter. Their inability to score gave MUS the opportunity to extend the lead, and ultimately, the Owls did just that.

After a 61-yard completion from Park to **Blair Wright**, who ended the game with 4 catches for 96 yards, moved the Owls deep into Briarcrest territory late in the half, Park hit **Stephen Bowie** from 4 yards on 3rd-and-goal for another score. Scott's PAT gave the Owls a 21-0 advantage heading into halftime.

The second half was mostly a continuation of the Owl dominance as MUS would eventually score two more times and increase their lead to 35.

On only the second play of the half, **John Stokes** recovered a Griffin Moss fumble and returned it 28 yards for another Owl score.

With reserves now in the game, the Owls continued to play solid defense that limited BCS to only 139 total yards for the game, including -2 yards passing, the second lowest passing total in school history.

MUS finished the scoring late in the game.

RB **David Tillman** went in from 6 yards out to culminate the 12-play, 49-yard drive that took up 6:20 as he carried the ball ten times on the possession. Freshman **Christian Kauffman** tacked on the extra-point to end the scoring.

OWL SEASON ENDS IN CHATTANOOGA

Despite setting four school records, the MUS varsity football team concluded its season, losing 40-21 to the Baylor School in Chattanooga. Although the Owls refused to give up and played well in the second half, they had to overcome too large a deficit to advance and defend their consecutive state titles.

The Red Raiders (9-2, 3-2) looked dominant on their opening drive as RB Kevin Cooper, a University of Tennessee commitment, moved the ball deep into Owl territory with a 41-yard run on the second play of the contest. Two plays later, Cooper scored from 2 yards out to give the Raiders the early lead. However, on the PAT **Lowell Hays** blocked his fourth kick this season to keep the score at 6-0.

The Owls (5-6, 2-3) looked to respond with a score of their own, but turnovers, penalties, and mistakes hurt MUS much of the first half.

However, the visitors finally began to move the ball through the air as they had good field position throughout much of the second quarter.

Yet they still could not take advantage of the momentum. First, **Zach Scott** missed a 36-yard field goal early in the quarter following a 6-play drive. Then, as the Owls were threatening on their next possession, Baylor DE Sidney Tarver ended the drive as he intercepted a **Michael Park** pass on the Baylor 19-yard line and returned it 81 yards for the score. The two-point conversion failed, and the score remained 12-0 with 2:10 remaining in the half.

But the hosts were not done in the first half.

Following a quick punt and a good use of times-out, QB Tyler Massey took advantage as he hit Brandon Joynes from 44 yards out on the first play of the possession to increase the Red-Raider advantage with only 42 seconds remaining. Tanner Taylor's extra-point gave Baylor the 19-0 halftime lead.

Baylor extended the lead in the third quarter as they continued to pile up yardage. Another long Cooper scoring run as well as Massey's 1-yard touchdown plunge with 3:21 left in the third quarter would extend the Baylor lead to 33-0 and all but end the MUS hopes.

Yet the Owls did not quit.

First, Park hit **Lee Moore** on a 93-yard touchdown catch, setting a school record for longest touchdown reception.

Even though Massey would add another scoring run with 1:17 remaining in the third quarter, MUS responded with two more scoring drives.

Senior **Stephen Bowie** caught Park's second touchdown pass of the night,

hauling in a 44-yard toss that culminated a 7-play, 87-yard drive and cut the lead to 40-14. Then Park found **Collin Fountain** from 7 yards out for another score with 8:27 left in the game, but the scoring ended there as the Owls' season concluded.

MUS did set several school records in the game. First, Park threw for the most passing yards in a game as he threw for 440, besting the previous mark of 362 set in 2003. His 41 attempts also set a record. His 421 total offense yards from scrimmage bests another mark. And Moore's 93-yard touchdown reception was the Owls' longest pass play in history.

Coach's Profile

Mark Chubb solidified himself as one of the top Division III offensive linemen during his career at Wittenberg University.

One of the many strengths of the MUS football coaching staff is its diversity and varied backgrounds and experiences that each member brings. Some, like John Cady and Scott Vogel, played at MUS and know what competing on Hull-Dobbs Field feels like. Others, like Johnny Jones, Orlando McKay, and Glenn Rogers, Jr., have professional experience from which to draw. Kyle Finney and Shaun Gehres come from outstanding small-college programs where they received great fundamental teaching, and Bobby Alston, Bo Bohannon, Jerry Ellis, and Tommy Harrison bring decades of high-school coaching experience around the area to mentor the young men and coaches.

Second-year defensive coordinator Mark Chubb complements this talented, diverse staff as he brings many of those qualities that he learned from his playing and coaching experiences. He not only excelled during his playing career, but he has also now been coaching at the college and high-school levels for over a decade at some very successful programs. His familiarity with MUS also aided his transition here as he has been married to Hutchison's athletic director, Catherine, since 2003, so he has been a part of the community and knows how important football is to it. Chubb's talents, abilities, and experiences help to tie this staff together and make him an outstanding addition to the football program as well as the school itself.

Coach Chubb grew up in Springfield, Ohio, a mid-size town in the west-central part of the state. He loved sports from an

Chubb Brings Valuable Experience and Knowledge To MUS Football

early age and started playing football as early as the third grade. He not only really enjoyed the game, but the entire community loved football as well. Springfield is just fifty-five miles from Columbus, the home of Ohio State, and seventy-five miles from Miami University, called the "Cradle of Coaches" because of its rich history of employing Hall-of-Fame coaches such as Woody Hayes, Bo Schembechler, Ara Parseghian, and many others. Because of the tradition of football in the area, Chubb started early in the game and quickly found that he had a passion for it.

As Chubb got older, his love for the game only grew, and as he entered Springfield North High School, in Ohio's largest classification, he knew that he would have an opportunity to play against some of the biggest and best players the state had to offer.

And he would get his opportunity quickly. Because of his short, stocky build, Chubb's coaches slated him as an offensive guard, and he shined. Logging time as a sophomore, he helped the Panthers to an 8-2 regular-season record and a playoff berth, despite playing against some competitive opponents and talented players that season.

After having defeated the two-seed in the first round of the playoffs, the Panthers saw their season end the next week, but Chubb's performances impressed the coaches and had him looking forward to next year.

Following a position change to offensive tackle, he still started every game his junior season, but the team struggled to a 3-7 record as they had lost several key players from the previous season to Division-I college programs such as Cincinnati, Louisville, and Miami University. However, despite the tough year, Chubb continued to improve and grow, and he was excited about his senior season.

At six-foot and 249 pounds, Chubb was not an imposing figure on the line, but his quickness and technique allowed him to be one of the best linemen in the region,

even while playing against some outstanding defensive linemen such as future Ohio State Buckeye and Cincinnati Bengal Dan Wilkinson. As team captain, Chubb led the Panthers to a solid 7-3 year, and he was recognized for his season by being named All-City, All-County, and All-Region, and being selected for the Dayton Area All-Star game, fine achievements to end his high-school career.

But college coaches also recognized his talent and abilities, and he began receiving interest from area schools. The three he considered the most came from Dayton University, a Division-I AA school that did not give athletic scholarships; St. Joseph's College, a Division-II school in Rensselaer, Indiana; and Wittenberg University, a Division-III institution in Springfield. The decision for him was initially tough, but the history and tradition of Wittenberg, where they have won five national championships and have the most victories of all Division-III schools, and the financial-aid package they were offering helped to persuade. Additionally, he liked the head coach, Doug Neibuhr, and offensive-line coach, Joe Fincham, who contacted him every week during his senior year and made him feel comfortable. These factors made his decision easier as he chose to stay home and play for the Tigers.

And Chubb did not disappoint. He immediately began climbing the depth chart his freshman season in 1991 as he played right offensive tackle in eight of ten games. He even started two games for the run-oriented Tigers, who depended so much on their line. Though he still was not the prototypical offensive tackle because of his size (255 pounds), he relied on speed, strength, and technique, and he was very effective blocking for the I-formation offense. In fact, Chubb became so strong that he broke the school record for squats as a freshman, squatting 525 pounds, an amazing feat.

Wittenberg had an uncharacteristically poor season in 1991, going 5-5, but they were expected to be much better in 1992, and Chubb was to play a large role. After

an opening loss to Baldwin-Wallace, the Tigers seemed to wake up, and they won their next four handily, led by excellent line play. Chubb continued to improve at his new position at tackle, and the team prospered. After the opening loss, the Tigers did not lose again, going 8-1-1 and winning the North Coast Athletic Conference (NCAC) title. Chubb was named First-Team All-Conference as a tackle after having started all ten games as the league coaches and media recognized his performances.

With his play as a sophomore, Chubb was tabbed a preseason All-American before his junior season as his team was expected to be good once again. But his versatility would be tested when an injury to a teammate prompted him to move from tackle to guard. For many, a position change midway through his junior season after having become not only comfortable but also very successful at one position would cause problems and discord, but not for Chubb, who actually was pleased because he was moving back to his more natural position, guard.

Chubb again performed very well as the team averaged nearly thirty points per game. Only a loss to rival Allegheny kept Wittenberg from a perfect year. Unfortunately, the lone loss kept the Tigers out of the playoffs, but that disappointment did not detract from the success of the year. Chubb once again was named First-Team All-Conference as he solidified himself as one of the country's best Division-III linemen.

Chubb continued his success his senior year as he collected more accolades, and the team continued to win. A preseason All-American once again, he helped the Tigers to an 8-2 record as they averaged over thirty-four points per game. Only a one-point loss to I-AA Evansville and another loss to rival Allegheny marred the season, but Chubb continued to shine. His play again earned him First-Team All-Conference honors for the third consecutive season, the first offensive lineman in the league ever to achieve that recognition. He was also tabbed a Second-Team AP All-American and a Third-Team *Football Gazette* All-American, well-deserved national honors.

Chubb left Wittenberg in 1994 as one of the school's best offensive linemen ever. During his career, the team won thirty of its forty games, including going 16-4 at home. Following graduation, he was recognized by the conference by being named to the NCAC All-Decade First Team, an honor that remains one of his proudest as it puts him in elite company. He definitely made his mark on Wittenberg and Division-III football.

Even before graduating with an English degree, Chubb had known that he wanted to stay in the game as a coach, and he has been coaching and teaching ever since. He remained at Wittenberg for two years after graduation, serving as a graduate assistant and working with the defensive line. He used his knowledge of the offensive line to teach defensive linemen, and he was very effective.

After his two years at Wittenberg, Chubb decided to move on as he took a job at I-AA Evansville. There, he returned to work with the offensive line, and he had the privilege of coaching future New York Giant running back Sean Bennett. Unfortunately, his time at Evansville was short because the school dropped football at the end of the year, and Chubb was forced to move.

But Evansville's loss was Rhodes College's gain as the school hired him to serve as a defensive and special-team's coach in 1998. During his eight-year tenure, he became special-team's coordinator, coached the defensive line and linebackers, and helped with other sports as well. He did just about everything the school needed him to do.

Perhaps Chubb's most important move while at Rhodes was that he married Catherine Brannon, the Hutchison athletic director, in 2003. However, 2003 was not the first time he had ever heard of MUS. He quickly learned about the school and its tradition on the football field and in the classroom soon after having arrived at Rhodes in 1998. But now that he was around the school more, he became familiar with the community and made contacts within the school and staff.

The school feels very fortunate to have someone of Chubb's caliber at MUS. His knowledge as an acclaimed player, his vast coaching experience, and his familiarity with the school make him a valuable member of the staff and someone whom MUS is now proud to call its own.

On a toss sweep, Chubb (70), a junior offensive guard, prepares to plant the Allegheny lineman. Chubb helped to lead Wittenberg to a 9-1 year as he earned First-Team All-Conference honors.

2006 MUS HONORS

John Stokes making the tackle

Mr. Football: As one of the most highly-recruited football players that MUS has had in many years, senior linebacker **John Stokes** entered the 2006 season hoping to have his best year yet and lead the Owls to their third consecutive state title. Though the squad did not accomplish their ultimate team goal, Stokes still had an outstanding season as he tallied 85 total tackles, 4 sacks, 3 fumble recoveries, and an interception against some of the best competition in the South. Because of his fine season, he was named a finalist for the 2006 American General Mr. Football Division II AAA Lineman of the Year. Accompanied by Coach Alston and his family, Stokes attended the luncheon at the Opryland Hotel in late November as he enjoyed the meal and the positive publicity for the school and team. He understood that winning the award would not be easy because he was competing against two of the most dominant defensive players in the state, A.J. Greene of Brentwood Academy and Chris Walker of CBHS. However, despite the competition, Stokes won the prestigious award, culminating an outstanding career for this future Vanderbilt Commodore. With the honor, Stokes became only the school's third Mr. Football winner, following Marc MacMillan (1991) and Richard Moore (1997).

Best of the Preps: Linebacker **John Stokes** was also named a finalist for *The Commercial Appeal's* Best of the Preps 2006 Football Defensive Player of the Year. He was one of five finalists for this prestigious honor, and though he did not win, he was still proud of the recognition. However, Stokes was named the 2006 Private School Male Scholar-Athlete of the Year at the June ceremony. With his outstanding academic record and accomplishments on both the football field and basketball court, Stokes was the obvious choice for this award.

Shelby Metro Elite Football Team: *The Commercial Appeal* named their 2006 Shelby Metro Elite Football Team, and linebacker **John Stokes** was the lone Owl to be selected to the squad.

All-Metro: At the conclusion of the 2006 season, *The Commercial Appeal* named their Best of the Preps All-Metro Team, and five Owls made the squad: punter **Drew Alston**, offensive lineman **Tyler Horn**, linebacker **Ben Stallworth**, linebacker **John Stokes**, and defensive lineman **Ben Towner**.

The Tennessean Dream Team: *The Tennessean*, the local Nashville newspaper, named their *Dream Team* at the conclusion of the 2006 high-school football season, and MUS linebacker **John Stokes** made the squad. He was one of twenty-five players selected to this elite team without regard to classification or division.

All-State: The 2006 *Super Prep* All-State Team was named after this past season, and once again MUS was well represented as eleven student-athletes were recognized. Punter **Drew Alston** was named to the first team for the second consecutive year, the only player to do so this season. He was awarded for his career on special teams as he ended as one of the school's best punters, including finishing sixth of the career punt yardage list.

Three of Alston's teammates also made the first team. Defensive stand-outs **John Stokes** and **Buck Towner** were honored after having received honorable-mention accolades in 2005, and offensive lineman **Tyler Horn** completed his career on the offensive first team.

Another seven Owls received honorable-mention honors. Three student-athletes were recognized for the second straight season, including receiver **Stephen Bowie**, quarterback **Michael Park**, and linebacker **Ben Stallworth**. And offensive lineman **Will Aldridge**, defensive back **Jay Edwards**, linebacker **DeAndre Jones**, and kicker **Zach Scott** were also honored for their seasons.

These eleven student-athletes prove that the conference coaches recognized the Owls' 2006 season.

Now in its second decade, the Tennessee Super Prep Conference continues to represent the very best in high-school football. Begun in 1997, the league originally had seven members from across the state: Baylor School, Brentwood Academy,

Christian Brothers High School, Father Ryan High School, The McCallie School, Memphis University School, and Montgomery Bell Academy. Because of the success and tradition of these seven institutions in the classroom and on the field, the league earned the moniker *Super 7*. For nine years, this league established itself as one of the premier conferences in the country. The member schools won over 75% of its games against non-league opponents and defeated powerful teams from neighboring states like Alabama, Florida, Illinois, Kentucky, Mississippi, and Texas. In fact, in its first nine years, the league had at least one school ranked in the *USA Today* Top 25 poll in seven of those years, a truly amazing record.

In 2006, the Super 7 grew to eight members as it added Briarcrest Christian High School, which had won two state championships since 2002. And in 2007, the league added six more schools and became the Tennessee Super Prep Conference. With the inclusion of Evangelical Christian School and St. Benedict at Auburndale in the West; Battle Ground Academy, The Ensworth School, and Pope John Paul II High School in Middle Tennessee; and The Webb School of Knoxville in the East, the league will now be divided into two divisions: the West Division and the Mid-East Division. Now at fourteen members, the conference continues to exemplify the adjective *super*. Therefore, no matter where you may be in the state, if you are enjoying a Friday night in the Tennessee Super Prep Conference, you are seeing the best in high-school football.

From the Archives: 1907 MUS Football Team

100 Years of Excellence on the Football Field

by John E. Harkins, Ross McCain Lynn Chair of History

“What’s so special about the 1907 MUS football team?” demanded Coach Perry Dement of his Office of Advancement team. Prior to the demolition of the façade of the Todd-Snowden Gymnasium in order to connect the “old gym” to the newer Sue Hyde Sports Center, there had been a large bronze tablet mounted on the wall of the Todd-Snowden foyer. This plaque honored the 1907 MUS football team and apparently had been sponsored by descendents of team members who wanted to immortalize their gridiron warrior ancestors.

Why would they do that? What, indeed, was so special about the team? Coach Dement (director of advancement at MUS) lobbed the game ball to assistant director of communications Julia Chesney and sent her scrambling for intelligence pay dirt. Checked on several of her advances, Chesney requested that acting MUS archivist and history instructor John Harkins be sent into the game. Then Chesney and Harkins lateraled the ball back and forth, attempting to gain yardage through potential oral history sources. Even Coaches Peters and Rudolph could not secure running room for them. Accordingly, they fell back on the tried-and-true old ploy (trick play?) of combing the archives for information. Sure enough, the 1909 *MUS-Kito* (yearbook) and the 1908 *Topics* (student newspaper) yielded a touchdown and an extra point. Those publications contain the 1907 team’s names and the positions of players (and coaches), the team’s formal photograph, and a

recap of what the *Topics* described as the most successful football season that an MUS team had yet enjoyed.

The *Topics* story also gave some substance to the oft-heard rumor that MUS had once beaten the University of Mississippi in a football game. Indeed, we did beat an Ole Miss team that year. However, it was their second-string or B squad, not their starting powerhouse. Still, that is no mean achievement for a small prep school; the final score was MUS 12, UM 5, and it was played in Oxford (how’s that for bragging rights, Mr. Thompson?).

Moreover, although the 1907 team did lose an away game to perennial powerhouse McTyiere School, MUS outscored the year’s opponents by a factor of ten, racking up 230 points to a total of 23 for all rivals combined. Again, that’s not so shabby.

So, whenever you are asked what was so special about the MUS gridiron team of 1907, ask the questioner whether he is referring to our having beaten Ole Miss* or to our having outscored the total of our opponents by ten points to their one. Also remarkable is the fact that in that year MUS had a very young team. Only one player, J.A. Davant, was a senior and not slated to return for the next season.

On the 100th anniversary of the 1907 football season, what could be more fitting than to remount the bronze plaque memorializing their feats in a suitable place of honor?

In the final regular-season game of his career in 1985, Andy McCarroll cuts back against a helpless ECS defender. McCarroll made many defenses look helpless during his career as he owns many rushing records, including most attempts in a game, season, and career.

Kyle Gowen looks for a hole in the 1997 Father Ryan game. Gowen is the Owls' career leading rusher with 3581 yards.
